- Brushing right to the edge
- Replaceable brush strip
- 3-step S-class filtration system
- The perfect choice for those with allergies and asthma

Pure Performance

THE SEBO ELECTRONIC 370 DESIGNED BY CLEANING PROFESSIONALS

Professional users worldwide prefer SEBO, with good reason! Our success is due to our innovative products and our strong focus on quality. Modern technology, state-of-the-art design and consistent customer focus are found in all SEBO products. The SEBO Electronic 370 is an impressive upright vacuum cleaner with outstanding cleaning power, first-class filtering system and, of course, ease of use.

Easy brush strip care -
Removal and maintenance of the brush strip requires no tools!

The Electronic 370 is user friendly - The control panel is equipped with warning systems and automatic shut-off capabilities that are designed to alert the user to machine problems such as clogs, full bag and brush obstructions. The flat-to-the-floor profile makes cleaning under furniture easy and efficient.

Changing the filter bag is simple and clean - When the bag is sealed, no dust can escape.

OPTIONAL ATTACHMENTS

Turbo Brush - For stairs & upholstery. Air-driven rotating brush for small or awkward areas. Part # 6179 DA

Extension Hose (9 ft.) - When connected to machine hose, extends the reach to approx. 15 ft. Part # 1495 AM

Parquet Brush - For cleaning all hard surface floors. Part # 1359 DG
